To inspect or not to inspect ?

OFSTED are due to inspect the College sometime soon. It could be anytime and they could visit any classes so we apologise for any disruption and hope that you understand how important this is to the future of the College. Do let us know if you have any queries. Most importantly, please do attend your sessions so that inspectors can talk with you and hear your views.

Fees for 2014/15

Funding cuts have been made across all providers so less money is being made available to subsidise the courses. We have held fees on most courses so that any rises are kept to a minimum.

**September Courses will be out end of May!!
Keep an eye on the website!**
