## Welcome!

A big welcome to all students as we start another term.

We are pleased to see new students and welcome back those returning to courses at Sutton College once more.

Last year appears to have been another very good year for the College with high pass rates in various qualifications. Congratulations to all of you who were successful on courses last year.

You are joining us at a very exciting time as we begin a new relationship with Carshalton College. We are operating out of the centre on two nights a week and are very pleased to be working closely with Carshalton College staff who have made us very welcome. I am sure you will enjoy your classes there.

During the Summer we installed a fantastic new practical workshop at the main Sutton centre where we will run woodwork, stained glass and other craft courses. As well as specialist courses in this workshop, we continue to offer pottery and jewellery classes in our professional craft studios.

We are pleased to continue to offer students a wide range of courses that are not qualification based as it is also part of our remit to provide courses that are not linked to work.

The College continues to work hard to provide learning opportunities for all the communities in the local area – if you have any ideas or questions please do ask staff – we really do value your feedback.

Wishing you all the best for your courses.

## VERA

Don't forget to access VERA our Virtual Learning Environment, where your tutor may leave information on your course, homework, notes etc!

Please see your tutor for more information

## Online Enrolment

Enrolling Online  
for your course  
is now easier  
and faster!

You can now register an account with us – meaning online enrolment is faster and you can add more than one course to your basket!

Contact the Customer Enquiry Team if you need any assistance or have any queries.

## Social Media

'Like' and follow us for latest news!

## Stuff For Kids!

at Sutton College

Our successful Kids Club programme continues and we have lots of spooky things going on this Halloween Half Term including mask and puppet making and a 'Thriller' Workshop!

Leave your kids with us on Saturday mornings whilst you pop into Sutton – we are running Kids Club from 10am – 12pm on various Saturdays in the run up to Christmas where your child/ren can come home with homemade decorations and other crafts! (and you can do your shopping!)

Kids Club is suitable for children aged 6-11, see [www.suttoncollege.ac.uk/kidsclub](http://www.suttoncollege.ac.uk/kidsclub) for more info!

Don't forget – we also have a Family Learning programme where you can learn together with your child in exciting classes like pumpkin carving or pottery!

## Student Information

Sutton College want to ensure that your experience with us is as rewarding as possible and to make sure you have all the information that you might ever need at your fingertips. We have produced an easy reference section on our website that will link you through to all the information you may find useful including term dates, how to report an absence, College policies and also student offers. See [www.suttoncollege.ac.uk/students](http://www.suttoncollege.ac.uk/students)

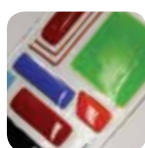

Don't forget to collect your student card from your tutor to access discounts in local stores!
