2016/17

# Art, Design & Photography

Sutton College offers a diverse range of classes for all abilities and welcomes learners of all ages.

There are courses for all levels from complete beginners to advanced/professional artists & designers. Courses vary in length from short tasters to full year accredited classes and take place during the day and evenings.

Learn or develop new skills & knowledge in our friendly, thriving and creative Art, Design and Photography departments. The studios at Sutton College are large, airy and well equipped.

You will be taught by supportive and experienced tutors with extensive and wide-ranging skills, many of whom are professional artists/designers.

Our courses are highly recognised and valued in the local and professional communities and include general art classes in Drawing, Painting in Oils, Acrylics, Watercolour and Mixed Media as well as specialised classes such as Printmaking, Calligraphy, Life Drawing and Art History.

Photography classes range from beginners to accredited City & Guilds Level 1, 2 & 3 courses. In 2016/17 there will also be some new introduction courses including Location and Studio photography.

Classes take place at our Sutton & Wallington centres.

Design courses include Graphic Design - Process, Concept to Computer and Creating Promotional Materials.

# Computing & Digital Media

Sutton College offers a broad range of courses from taster courses through to longer or fast track qualifications. There is a mixture of class based learning as well as flexible learning which combines supported and self-directed study.

We also offer the increasingly popular One to One or Small Group Tuition classes. This allows students to set the time, pace and content of their learning.

From absolute beginner level through to advanced we have a course or professional qualification to suit everyone.

The College has modern computing suites with excellent facilities running mainly Windows with some Macs with additional iPads. We offer a wide variety of software applications such as Microsoft Office & Adobe Creative Suite.

Courses are taught by friendly, supportive, experienced tutors with extensive and wide-

ranging skills. Many of our digital media tutors also work professionally in the creative industries. Adobe software skills in Photoshop, InDesign & Illustrator continue to be popular, as well as professional web design skills including HTML & CSS.

We also offer supported open learning computer facilities through our iClick Centre, both to support coursework as well as a range of flexible, online and One to One IT courses. We are an Approved Microsoft IT Academy partner and a registered UK Online centre.

In addition, we can offer bespoke work based training to organisations wishing to develop courses for their staff.

New courses in 16/17 include Digital Media - Introduction to Coding and also Keeping in Touch for the 60+ with your iPads!

## Courses include:

- **Microsoft Office Unit range of levels (Flexible Learning)**
- **Accredited Digital Design For Print & Web Courses**
- **Microsoft Office 2013 Skills - L1 Award & L2 Certificate**

# Craft & Workshop Skills

Learning technical skills and developing new ideas that are both valuable and practical is at the core of this busy and vibrant Craft department.

In a supportive and inclusive learning environment with access to traditional and contemporary tools, materials and resources, students are encouraged to experiment and create new potential.

Sutton College has specialist workshop facilities for Jewellery, Pottery & Ceramics, Sewing, Stained Glass, Woodwork & DIY.

Jewellery courses include traditional silver-making as well as metal clay, beading & wirework and Pottery & Ceramics classes include hand-building, throwing techniques & instruction in the use of glazes.

Traditional and creative sewing crafts include Clothes-making, Lace-making and Crochet and we also offer the City & Guilds Award in Fashion.

Practical, workshop based courses prove popular each year and many students have learnt skills and methods that they have carried into their work and home lives.

Popular subjects such as Plumbing and Electrics enable you to learn the basics of DIY. Woodwork, Guitar Making and Furniture Restoration are also available.

Expert tutors provide advice and guidance on individual projects and introduce how to plan activities safely and increase awareness of the requirements for a professional style of finish to projects.

Our new workshop at Sutton centre provides the ideal setting to learn, practise & make use of specialised equipment.

With new courses starting every term, we have the facilities and professional expertise to help you realise your potential and make extraordinary things.

# Curiosity Corner

Perhaps you would like to develop your 'Creative Writing' skills and start work on the novel that you have somewhere inside you. Perhaps you are keen to learn about the 'History of Cuba'.

You may have an interest in British history and want to learn more about 'George I and George II', or discover more about our local area and join our 'Surrey Walks' through Betchworth, Chiddingfold, Epsom and Shalford. With so many options to choose from, we are confident you will find a subject that will excite you in Sutton College's 'Curiosity Corner'.

Courses are delivered by experienced tutors, all experts in their field and passionate about their subject area.

Our successful 'History Club' talks take place in the afternoons and evenings across all terms. Topics covered include significant figures such as Lenin, Amin, Cromwell, Dickens and Oscar Wilde. There will also be talks focusing on significant periods in history, such as The Spanish Civil War, Victorian England and The Industrial Revolution.

Our 'Enjoy Your Retirement' course is always very popular, featuring talks and afternoon visits to places of interest.

The 'Literature Seminar Series' for 2016/17 will explore The Golden Age of Children's Literature, The English Short Story and the work of Rudyard Kipling.

## Courses include:

- History of English Architecture
- History of America 1600-2016

# English Language ESOL

A wide range of ESOL (English for Speakers of Other Languages) and EFL (English as a Foreign Language) classes are offered at 7 different levels from beginner to advanced.

Students normally attend twice a week. EFL classes lead to Cambridge: Key English (KET), Preliminary English (PET), First (FCE) and Advanced (CAE).

The classes are taught by a team of highly qualified and experienced staff, supported by voluntary learning assistants.

The priority is to put the needs of the learner at the heart of the programme, with a strong emphasis on progression to work, further and higher education as well as supporting those already in work.

In addition to graded classes, we offer a wide range of job related courses including Writing First and Next Steps, and British Culture and English Language for over 50s.

The use of the latest technology is used in the classes and via the Virtual Learning Environment. Students have access to a reading library and work is celebrated through our displays.

We are pleased to be able to offer One to One or Small group tuition using one of our many experienced tutors. This is an opportunity to meet specific needs and support you in your English language studies.

One to One or small group tuition is also available. Contact [curriculum@suttoncollege.ac.uk](mailto:curriculum@suttoncollege.ac.uk) for more information.

If you would like to start an English class, please visit [www.suttoncollege.ac.uk](http://www.suttoncollege.ac.uk) or contact 020 8770 5566.

# Family Learning

Gain a better understanding of why it's important for your children and yourselves to enjoy learning together.

Sutton College offer a successful programme of family courses ranging from one-off workshops to longer courses.

Mums, Dads, Grandparents and Carers learn how to support their children in a fun way!

All programmes include opportunities for adults to get information, advice and guidance on how they can progress their own learning and get support for any English, language or maths needs.

Popular courses include: 'Get Creative with Clay', 'Little Learners: English and Maths' and 'Family Language (English as a second language) and supporting your child'. We also run 'One Step Ahead' courses aimed at helping parents back to work.

New for 2016/17: 'Jewellery for the Family' & 'Pumpkin Carving'.

We also provide exciting family workshops during the half term breaks and will be holding New Kids Club holiday activities throughout the year too.

## To Enrol:

Contact the Customer Enquiry Team at the main Sutton centre on 020 8770 5566.

Priority is given to adults who do not have a Maths and/or English GCSE A\*-C Grade.

Many of our classes take place in partnership with schools, nurseries, children's centres and libraries.

If you would like your school or community venue to offer a family course, please email the Family Learning Team: [familylearning@suttoncollege.ac.uk](mailto:familylearning@suttoncollege.ac.uk)

## Courses include:

- African Djembe Drumming
- Everyday Family First Aid Workshop

# Flexible & Online Learning

Sutton College recognise that people have busy lives, juggling the demands of work and family.

These challenges can make it extremely difficult to attend courses that are delivered on a weekly basis in a classroom setting.

Our programme of Flexible Learning and Online courses offer a diverse range of courses that enable students to study at times that suit them, with the aid of regular tutorials, e-mail contact with our specialist tutors and support from our extensive Learning Pack materials.

Students on our Flexible Learning AS-levels attend monthly tutorials and are guided through their course with the aid of detailed, in-depth study notes and contact with their tutor.

Our Flexible Learning AS-levels include Maths, History, Government & Politics, Law,

English Language and English Literature.

Other AS-levels may be available so please contact [curriculum@suttoncollege.ac.uk](mailto:curriculum@suttoncollege.ac.uk) if you would like to study a course not listed.

We also offer a Flexible Learning CMI Level 3 Diploma in First Line Management and Online Level 3 Supporting Teaching and Learning. There is also our Online CACHE Early Years Educator Level 3 Diploma.

The excellent computing facilities at Sutton College are able to support a number of Flexible Learning and Online IT courses, including Microsoft ITQ Levels 1 and 2 and individual subject studies in Word, PowerPoint, Outlook, Excel, Publisher and Access.

Flexible and Online Learning courses at Sutton College make it possible to study at a pace that suits you and at a time that fits your availability!

## Courses include:

- **CACHE Early Years Educator Level 3 Diploma**
- **CMI First Line Management Level 3 Diploma**
- **English Language AS**
- **English Literature AS**

# Flowers & Food

Learn new skills to impress your family and friends with your creations!

Floristry and Flower Arranging courses continue to be popular and have provided stepping stones for careers as well as impressing many friends and families with beautiful creations made in class.

We offer a range of exciting flower arranging courses at Sutton College, suitable for all levels and with a variety of start dates and course lengths. Bite size short courses are offered throughout the year enabling you to pick and choose from a wide variety of topics.

For those considering floristry as a career, we offer the Foundation in Floristry course and the Floristry Level 2 Certificate from City & Guilds, equipping learners with the knowledge and skills to work in the industry, either in a florist shop, or to become self-

employed and start their own business.

You will need to bring your own flowers and foliage to the Flower Arranging & Floristry courses and the tutor will suggest the flowers required for each session in advance. Some sundries will be available for purchase in the class.

Food courses include our extremely popular Cake Decorating classes - learn how to turn a good cake into an amazing cake!

## Courses include:

- Flower arranging for Christmas
- Floral Hand Tied Bouquets
- Flowers for Brides
- Flowers for Special Occasions, including Mother's Day and Easter
- Introduction to and Foundation in Floristry
- Floristry City & Guilds Level 2 Certificate
- Cake Decorating
- One to One tuition

# GCSE & A Level

Do you require GCSE English, maths or Psychology qualification in order to progress onto higher education?

We offer a fast-paced one year qualification in each of these subjects. Our specialist tutors will work closely with you to gain the best possible grade for you.

GCSE English Language and maths classes are offered most days with a choice of daytime or evenings to suit your needs.

Students can benefit from Booster classes in the Easter break to enhance their learning and revision classes are also available to any students needing extra help before the exams.

All learners enrolled on GCSE English Language or maths will get FREE access to the Skillsbuilder online learning resource which provides resources and activities to help achieve goals.

**NEW!** IGCSE Science - giving learners the opportunity to study Biology, Chemistry and Physics.

Sutton College also offers a range of 'Flexible Learning' A-levels to suit the busy lifestyles of students who cannot commit to weekly classroom sessions.

Working with the National Extension College, we provide learning packs to support you in your studies, along with monthly group tutorials. You will also be in e-mail contact with your tutor throughout the course.

One to One or small group tuition is also available. Contact [curriculum@suttoncollege.ac.uk](mailto:curriculum@suttoncollege.ac.uk) for more information.

## Courses include:

# Languages

Sutton College Language tutors have a wealth of teaching experience at all levels and are extremely competent in ensuring students fulfil their potential. Many of our highly qualified language tutors are native speakers and committed to the teaching and learning experience of all our learners.

This year our language programme once again offers the opportunity to gain recognised qualifications (ABC awards) in French, German, Italian and Spanish in the form of continuous assessment. For those not necessarily wishing to gain a qualification, we offer a variety of courses from beginners to advanced level. Popular courses include our Summer Holiday Tasters where you can learn essential words and phrases to use on your trips away.

We also run British Sign Language Level 1 and 2 with recognised accreditation (Signature).

For the first time this year we are also offering the BSL Level 3 Signature accreditation for which a student loan is available.

Our Foreign Film Nights which include time for reflection and discussion have proven very popular. We also have a Language Club and monthly Language Social Events.

If there is a language which you would like us to offer, please email [curriculum@suttoncollege.ac.uk](mailto:curriculum@suttoncollege.ac.uk)

One to One or small group tuition is also available. Contact [curriculum@suttoncollege.ac.uk](mailto:curriculum@suttoncollege.ac.uk) for more information.

## Courses include:

- **British Sign Language (BSL):**
  - Intro to BSL Level 1
  - Prepare for BSL Level 2
  - Level 3
- **ABC Accredited courses in Italian, German French and Spanish**
- **Chinese beginners**
- **Japanese beginners**
- **Pre Intermediate in French, Spanish, Italian, German**
- **Holiday Language Tasters**
- **One to One tuition**

For full course listings (inc. course information, fees, dates etc) and to enrol online see [www.suttoncollege.ac.uk](http://www.suttoncollege.ac.uk)

*“The tutor is excellent, I have enjoyed her lessons and teaching, best language teacher I have ever had!”*

# Performance Arts

Performance Arts at Sutton College includes a wide variety of music, dance and drama courses.

If you have ever wanted to take up a musical instrument you can do so at Sutton College in a supportive environment, taught by enthusiastic expert tutors. Music courses include Guitar, Piano and Ukulele and we have courses at various levels to suit your ability.

Alternatively, come along and sing your heart out in one of our singing courses! The Sutton College choir could be the place for you to find your voice!

Dance can be used to improve physical health and to improve coordination and flexibility as well as being a great social activity.

Students come to class to dance for fun or to develop skills for formal occasions and our Folk Dancing, Ballroom, Tap and Flamenco dance classes are extremely popular each year.

On our theatre workshop courses, you will explore the many aspects of plays and performance including exploring the text and creating the background to a character.

In 2016/17 we also have Classical Ballet for Health and Fitness.

One to One or small group tuition is also available. Contact [curriculum@suttoncollege.ac.uk](mailto:curriculum@suttoncollege.ac.uk) for more information.

## Courses include:

- **Classical Ballet for Health & Fitness**
- **Dance Around the World**
- **Flamenco**
- **Guitar Rock & Pop Electric & Acoustic**
- **Line Dancing**
- **Piano**
- **Singing for Pleasure Choir**
- **Speaking In Public - Focus Content & Relaxation Techniques**
- **Tap Dancing**

# Springboard (Learners with Learning Difficulties and/or Disabilities)

Springboard at Sutton College offers an extensive range of courses for adults with learning disabilities and social communication disorders.

The curriculum is divided into three distinctive pathways to enable learners to refine their skills in areas relevant to their individual circumstances. The pathways include:

**Employability** – for learners who are ready to look for volunteering or employment opportunities and need help to do so. We offer practical work experience and support in securing work placements linked to the local community.

**Independent Living** – for learners who would like to become more independent in managing their own lifestyle choices. This may involve managing money, time and safety as well as other practical living skills.

**Enrichment** – for learners who wish to participate in practical courses for social and leisure opportunities. These classes can help increase confidence, self-esteem and team-working skills in an enjoyable and fun environment.

Learners will be encouraged to monitor their own targets in numeracy, literacy and ICT via an Individual Learning Journey which will be reviewed on a termly basis. As many courses are accredited through ASDAN ([www.asdan.org.uk](http://www.asdan.org.uk)), learners will be supported to gain certificates, awards and diplomas in Personal Progress.

We also offer a number of opportunities for learners to display and sell their work in the College pop-up shop and to participate in an annual showcase of individual class achievements.

## Courses include:

- Horticulture
- Food and drink
- Home design
- Personal safety
  
- Employability
- Business enterprise
- Journalism
- Essential reading and writing
  
- Dance and choreography
- Music, sound and rhythm

*“We take education for granted in this country, but my son has made such good progress since he has been here. He really enjoys the classes and takes great pride in the work he produces.”*

# Teacher Training

Sutton College has a long-standing reputation as an excellent provider of both Teacher Training and Child Development courses with many students embarking on successful careers following their studies with us.

Our Supporting Teaching and Learning courses at Levels 2 and 3 are extremely popular with those seeking supporting roles in schools. There is also an online option for Level 3, which is great for students unable to commit to weekly taught sessions. These can be started at any time of the year.

There are new workshops to supplement studies such as; Dyslexia, Autism, ADHD and Behaviour Management Workshops for Teachers & TAs.

Our Award in Education and Training (AET) and the Diploma in Education and Training (DET) offer excellent opportunities for progression and professional development.

We continue to offer courses on NLP (Neuro Linguistic Programming). NLP for teachers plus new workshops including improving mental and physical health plus sports performance through NLP are on the programme too.

Our Child Development qualifications include Cache Level 1 Intro to Early Years Settings, suitable for parents and volunteers who would like to work in early years settings such as pre-schools or for those wishing to start a career working with young children.

We also offer the NCFE CACHE Level 2 Certificate in an Introduction to Early Years Education and Care and the flexible learning NCFE CACHE Level 3 Diploma for the Early Years Workforce (Early Years Educator).

## Courses include:

- Supporting Teaching & Learning Level 2 & 3 (also available as a flexible course)
- Award in Education in Training (AET)
- Diploma in Education and Training (DET) City & Guilds
- 'So you want to be a Teaching Assistant?'
- Dyslexia / Autism / ADHD / Workshops for Teachers & TA's
