Welcome to our new Principal

Dipa Ganguli joins as our new Principal this month following the retirement of previous Principal, Jenny Sims. Dipa has been in the Adult Education Sector for 22 years, with the last three years as the Assistant Principal of Westminster Adult Education Service.

She has a long association with Sutton College, she did her PGCE here in collaboration with Canterbury Christchurch University nine years ago and was a part-time tutor of Maths at our Wallington Centre.

Dipa brings a huge amount of experience, skills and versatility to the role.

Dipa has extensive experience of Adult Education having represented the sector at numerous national boards and meetings hosted by the main funding body, the Education and Skills Funding Agency. She is also a Policy Group member of HOLEX, the lead body for Adult Community Education and Learning.

She said 'I am looking forward to working with staff, partners and students at the College. Sutton College is a well renowned leader in the Adult Education sector and it will continue to develop and grow in the future. As the new Principal, I want to thank you for choosing Sutton College. It is your dedication and enthusiasm for the courses and your success in the classroom that make us a success. I am hoping that we will continue to meet your needs and provide courses that you value. I am also really looking forward to celebrating your achievements at the Annual Festival of Learning. I will be walking around the Sutton centre and visiting Wallington and Carshalton on a regular basis, so please do stop me and have a chat – I would love to hear from you.'
