Dear Learners

Welcome to the Summer term. As this academic year is drawing to a close, we have been working in the background to get courses for next year planned and ready for enrolment. If you have enjoyed your time at Sutton College, please do spread the word amongst your friends and family as I am sure we have a course that meets all needs. If there is a course that you would like to see offered, do use the suggestion boxes in reception areas to let us know.

Another forum for you to make your views known is 'Meet the Managers', where I, along with managers across the Service will be available for you to discuss any issues, suggestions or complaints you may have. Please see information in this newsletter for details.

It gives me great pleasure to let you know that this year, we were shortlisted as an 'ACL provider of the year' in the prestigious TES awards. TES awards are the Oscars of the Further Education Sector, and though we did not win, it was a great honour to be recognised for our work. You will be able to see the finalist certificate in the foyer at Sutton Centre.

The beginning of May marks the start of Ramadan, the fasting month for Muslims – 'Ramadan Mubarak' if you are celebrating. Finally, Summer term also brings the exam season, so I wish all the learners taking exams the very best of luck and I look forward to hearing about your successes.

Best wishes, Dipa Ganguli
