Student ID badges

The College now operates a Visible ID Policy and Learner ID badges need to be worn on College premises at all times. Learners will be issued with badges by tutors. If you have not yet had your photograph taken, please report to the College reception where staff will take your photograph.

Dear Learners

A very warm welcome as you begin your journey with us this academic year.

Many learners on accredited courses are now being funded by the Greater London Authority (GLA) as the budget for adults skills has been devolved to the Mayor of London from Central Government. The GLA wants to show the impact of the courses that learners are undertaking with providers like us, so please be patient with us if we ask additional questions at enrolment or ask you to complete a survey or two. As an organisation subsidising the cost of the courses, the requirements from us by the funding agencies are high.

Whether one follows politics or not, we cannot escape the fact that every day brings new developments and changes. The Gov.uk website is currently advising students who are EU, EEA or Swiss citizens to apply to the EU settlement scheme to continue living in the UK after 2020. See www.gov.uk.

The College loves to hear your views. Do get in touch via suggestion boxes at centres or via your Student Governor johndodds@learn.scola.ac.uk who will bring any concerns you have to the Board of Governors. You can also talk to us at a 'Meet the Managers' session in November (see left) or email yourvoice@suttoncollege.ac.uk.

Autumn brings many festivals and celebrations including the Islamic (Al-Hijra) and the Jewish (Rosh Hashanah) New Years and Navratri. October is Black History Month and when Yom Kippur, Diwali and many other days are celebrated. I wish you happy celebrations and hope to see some of the rich culture and diversity of our learner base reflected in the classrooms through discussions, displays and other participation.

Finally, I will be popping into your classes over the next few weeks, so I look forward to meeting many of you.

Best wishes, Dipa Ganguli

COLLEGE PRINCIPAL

Tribute to Peggy Heyworth

(SUTTON COLLEGE 'ENJOY YOUR RETIREMENT' STUDENT)

"Enjoy Your Retirement stalwart Peggy Heyworth passed away before the Summer. Well-liked for her often outrageously funny sense of humour, Peggy was a lady who moved easily from decade to decade throughout her long life, keeping up with the times and fashions as she went; she was as happy explaining to you the relative merits of Jimi Hendrix and Amy Winehouse as she was recalling her memories of her life during World War II. Peggy, it seems, had seen it all; she was unshockable. 'It keeps the grey matter going,' as she once cheerfully told me. She will be sorely missed, as much by those of us who had the privilege to work with her over the years, as by her friends and fellow learners in E.Y.R."
