

# English for Speakers of Other Languages (ESOL)

## Courses starting September 2020

## Learning English at Sutton College can help you:

- Get a qualification
- Achieve your goals
- Become a more confident speaker
- Improve your writing, reading & computing skills to help find a job
- Become more involved in the community
- Make new friends

*“This course helped me to speak confidently. I gained the following skills: social skills, communication skills, IT skills, organisational skills and time keeping.” SR*

*“Before I started this course I was insecure and shy. But now I feel very confident and I know what I want. Because my teacher told me it’s not important to take big steps. Take small steps but never stop continuing trying.” TI*

Sutton College offers general English for Speakers or Other Languages (ESOL) from Pre-Entry to Level 2.

You can study for Reading, Writing or Speaking and Listening qualifications with specialist tutors at different times during the year. You can also benefit from employability courses to help you prepare yourself for the world of work or to improve your job prospects in the future.

Sutton College also offers courses for Cambridge B2 First (FCE) and Cambridge C1 Advanced (CAE).

*“This course has helped me to improve my speaking. I am now more confident and I can use the computer more confidently too. I have learned expressions I can use in a discussion with other people politely and how to keep safe online.” YH*

*“If I hadn’t started my E3 course, I wouldn’t have spoken English better than before. Starting the course at Sutton College was my best choice ever.” BM*
