# Visible ID Policy

## Introduction

The College operates a visible ID policy for all people on the College site, including learners, staff, volunteers, visitors, contractors and governors. Everyone on the College site is expected to follow this policy and procedure. The wearing of lanyards, by staff, learners and visitors promotes a professional and positive image of the College.

The College operates an access control system and staff and learners will their ID badges to gain access to the College site and authorised areas. Staff are also required to 'sign in and out' of the College with their ID badges via the electronic signing system located in the staff corridor.

This policy is a key measure to support the College's Safeguarding and Prevent strategies.

It is the policy of Sutton College that staff, learners and visitors wear College lanyards and identification (ID) cards at all times whilst on College sites. Staff ID cards can be used to provide access to buildings and facilities and also serve to verify that a person is an authorised member of the College community. The failure of a member of staff to comply with the Visible ID Policy and Procedures could be subject to disciplinary action or removal from the premises.

The wearing and displaying of lanyards, ID badges whilst on College sites will be enforced at all times.

Learners attending College are expected to be appropriately dressed when attending College. Crash helmets, hoods, baseball caps, face coverings and any other headwear which makes identification difficult, should not be worn on College premises. The eyes, nose and mouth area should not be covered on College premises and the only exemption for this is the wearing of a surgical face mask for medical purposes.

## Exemptions to the policy and procedures

If the wearing of a lanyard is impractical or unsafe for staff and learners, their ID badge should be clipped onto an appropriate place, for example a belt or a lapel. If, due to the nature of the lesson, a learner is not wearing their ID badge, they must have it on them and produce it for inspection, if requested to do so.

## Responsibilities

## Definitions

### 1. Staff

For the purposes of this policy and procedure the term 'staff' applies to all staff (whether on a permanent, fixed term or temporary contract), volunteers and contractors. Staff are also responsible for ensuring the photograph on their ID badge is a recognisable likeness. Should the photograph on an ID badge become out-of-date, for example in the case of a dramatic change to a hairstyle, then the member of staff is responsible for liaising with the MIS team to arrange for a new photograph to be taken.

### 2. Learner

The term 'Learner' refers to any enrolled College learner, who attends the College or an online course on a regular basis for educational purposes. Learners attending short course (less than 3 weeks) will be issued with a temporary learner ID badge, which will be dated with an expiry date of the course.

## Learning online

Learners are expected to engage in respectful and constructive communications with tutors and peers in online discussions, video conferencing, forums and emails. Appropriate attire should be worn when on video and cameras should stay on for the duration of the lesson.

All learners engaged in online learning will be required to produce photo ID before participating in courses. This will be done online at or before the first session. Teachers are responsible for advising learners of when this will be done.
